

# JUNIOR EXCELLENCE AT HURON VALLEY TENNIS CLUB

Huron Valley Tennis Club's six-tier Junior Excellence program is ideal for players of varied ages and skill levels. From Young Players for newcomers to Tournament Excellence for experienced standouts, we have a group for anyone committed to advancing their game. We focus on fundamental skills and strategy while keeping in mind the need to have fun. Our 4 to 1 student-to-coach ratio allows our skilled, experienced, and enthusiastic instructional staff to maximize attention to the entire group.

## REGISTRATION

Registration for the Junior Excellence program is online at [www.huronvalleytennisclub.net](http://www.huronvalleytennisclub.net). Click the [Online Portal](#) to access Court Reserve. Create an account in Court Reserve by selecting a membership level.

If you are new to the program, please call for placement information. Admissions to a group and promotions to a higher group are made by the lead pro of each class. Don't hesitate to ask the coaches about your junior player's progress!

Note: Creating a Court Reserve membership for class registration purposes is separate from having a junior club membership. You will have to purchase an annual membership for your junior player in person by the start of the class.

Beginning players should request our clinic brochure. Clinics are open to nonmembers.
